

Bow-Wow, Come Home!

Bow-Wow tried to follow the bug home, but today the bug got there first! Now Bow-Wow has to find his way home alone. But it's not so easy! Look! Somebody with very big feet has dropped their personal belongings in the road! Can you help Bow-Wow get back **HOME** by traveling only on the roads and paths and avoiding those big smelly shoes and socks?

START

The maze is a 4x4 grid with columns labeled A, B, C, D and rows labeled 1, 2, 3, 4. The start is a black dog icon at the top left. The goal is a red house with "HOME" written on it in the center of the grid. Obstacles include a grey sock, a brown shoe, and a yellow house. A compass rose in the bottom right shows North, South, East, and West directions.

Extra Challenge: Look at the map key in the corner. Can you figure out what directions Bow-Wow traveled to get home? Write it down on a small piece of paper and hide it in a secret place!
